## THE PRAIRIE FRUIT MARKETS BULLETIN

Current Prices and Market Conditions  
(From the Weekly Bulletin issued by J. A. Grant, Fruit Markets Commissioner, Calgary.)

July 1st, 1922

### The Week in Calgary

Calgary and district had a record rainfall on Thursday morning. Over an inch of rain fell. This is reported general all over Southern Alberta, and will ensure a crop of average size, even though no further rainfall should take place. There is a cheerful feeling amongst traders, which may lead to a little more generous buying. Trade has been of a hand to mouth kind and a bearish tendency is noted in all lines.

The housewives seem reluctant to can fruit of a seasonable kind, even when advised that prices are at their lowest and the peak of the season is passing.

Some fine B. C. Bing cherries are arriving from Osoyoos. Other districts are shipping Tartarians and Royal Annes. Prices for these early varieties are not as firm as might be. We saw a real nice lot of Tartarians jobbed at \$1.50 per crate, which should have netted \$2.00. Some of our best wholesale houses have jobbed considerable fruit this year and this has a depressing tendency, as shipments on consignment to small wholesale and retail dealers have to meet this jobbing price.

A car of fine head lettuce and cauliflower arrived from Vancouver last week and has cleaned up well. This market can take a great deal of head lettuce and cauliflower. The prices realized were good.

Good crisp asparagus from B. C. realized 25c per lb. Poor asparagus is not wanted at any price.

Considerable quantities of local hot-house tomatoes are being offered in competition with B. C. hot-house stuff and prices have been reduced.

No quotations have been made on car lot shipments of new potatoes as yet.

California soft fruits are beginning to arrive on this market, consisting of apples, peaches, apricots and plums.

B. C. Bing cherries will crowd imported cherries out of this market from now on.

It is reported that Spokane strawberries are being shipped L.C. to Lethbridge, costing \$2.65 laid down there. We have noticed the persistent advances made upon the Western Canadian market by shippers from the Western States of produce directly competing with B. C. and would advise our shippers to deal with this matter firmly and in a manner that will leave no doubt in the minds of anyone that we intend to hold this market against all comers. The sooner this is done the better. There is every indication to show that this market will be exploited during the whole of this year. We will call attention from time to time to this matter, and when it becomes clear to us who is behind it, we will publish the fact.

### Calgary Wholesale Prices

California Plums, per lb.	25
Wash. Bing Cherries (20 lbs. faced lug)	5.75
B. C. Strawberries, \$2.50 to	3.50
B. C. Gooseberries, \$1.75 to	2.00
B. C. Cantaloupes, Standards	10.00
Onions, Red, per lb.	.54
Young Onions, local, per doz.	20
Lettuce and Radish, per doz.	20
B. C. Potatoes, per lb.	.06 1/2
B. C. Asparagus, per lb., 20c to	25
Apparagus, 17-lb. box, \$2.75 to	3.00
Cucumbers, per doz., \$2.00 to	2.25
B. C. H. H. Tomatoes, per case, \$5.00 to	5.50
Miss. Field Toms	3.00
Walla Cabbage, per lb.	.06
Spinach, local, per lb.	.06
Celery, H. H., per lb (local)	.20
Potatoes (old) per ton	20.00
Cal. Carrots and Beets, per lb., 6 1/2c. to	.07

### Edmonton

EDMONTON, June 30.—B. C. Strawberries \$3.50 and less according to quality. Miss. Tomatoes \$3.00. Rhubarb, \$1.85. Cabbage, 7c. Onions, 6c. Carrots, 7c. Turnips, 6c. Green Onions, 60c. Lettuce, 60c. Cal. Plums, \$4.00. Peaches, \$3.50. Apricots, \$3.75. Winesaps, \$4.40. Gooseberries, consignment Wash., 16c lb. Bing, \$5.50. Market over-supplied on berries. Poor stock being jobbed cheap. Much rain this week improving crop conditions.

(Continued on Page 2)

## MARRIAGE

McDougall-Ritchie

The United Church, was the scene of a very pretty wedding at high noon on Friday, when Hazel Myrtle Ritchie, only daughter of Mr. and Mrs. George Ritchie, became the bride of Mr. Dougald McDougall, Rev. E. D. Braden performing the ceremony. The bride, who was bestowed in marriage by her father, looked beautiful in a dress of white satin with the customary bridal veil. She carried a showy bouquet of white roses and fern. Miss Beatrice Campbell, the bridesmaid, wore a frock of flame voile with white tulle hat, and bore a bouquet of cream roses. Rev. Mr. McDougall, of Vancouver, brother of the bridegroom, acted as best man. During the signing of the register Mrs. Ambler sang a solo, "All Joy Be Thine," and Mr. F. Wigglesworth presided at the organ. The church was most beautifully decorated for the occasion by the Young Ladies Bible Class, of which the bride was president, with roses, syringa and asparagus.

After the ceremony, a reception was held at the home of the bride's parents, on St. Paul Street, the happy couple leaving later by motor car for Pentiction en route to Windermere, East Kootenay.

## TWENTY BUILDINGS BURNED IN DUBLIN

DUBLIN, July 6.—Twenty buildings in O'Connell Street, Dublin's main thoroughfare, were completely destroyed by fire following the surrender last night of insurgent Republicans who had turned the buildings into fortresses in their resistance to the Free State government. Fires which raged during the night were not completely under control this morning and only smouldering ruins remained where the insurgents had made their last stand.

Robert C. Barton, former Minister of Economics in the Dail cabinet, was arrested.

## SUGAR GOES UP ANOTHER NOTCH

MONTREAL, July 6.—An increase of 25 cents per hundred pounds was announced here yesterday by sugar refiners on all grades of sugar, making the present price \$7.25, an increase of \$1.10 since April 1st.

## CANADA AT THE LEAGUE OF NATIONS

OTTAWA, July 6.—Canada will be represented at the third assembly of the League of Nations at Geneva, on Sept. 4th, by Hon. W. S. Fielding, Minister of Finance; Hon. Ernest Lapointe, Minister of Marine and Fisheries; and P. C. Larkin, Canadian High Commissioner in London.

## FROM OKANAGAN TO REVELSTOKE

New Highway To Be Officially Opened On Thursday, August 17

The Revelstoke-Okanagan auto road will be officially opened on Thursday, August 17th, at Malakwa, which is midway between Revelstoke and Tenderbush and only four miles from where the late Lord Strathcona drove the golden spike marking the completion of the C.P.R., on November 11th, 1885. The Hon. W. H. Sutherland, Minister of Public Works, who fathered the construction of this road since its inception, will be assisted on this important occasion by the Premier and most of the Provincial Cabinet. It is expected that at least one thousand people will journey to Malakwa for this event, for it will mark the completion of a road that will not only give the people of Revelstoke their first outlet other than by C. P. R., but it will also afford people from other parts of the province and the States their first opportunity of reaching Revelstoke by car, and of enjoying the beautiful auto trip up Mount Revelstoke, which is one of the finest scenic excursions in America.

The ceremony will start promptly at 1.30 p.m. and will close in sufficient time to allow parties to journey on to Revelstoke or to return to the Okanagan in time for the evening meal. The hour is also arranged so that auto parties may leave their homes in Revelstoke, Salmon Arm and Okanagan Valley points in the morning, arrive at Malakwa between eleven and twelve o'clock and eat their picnic lunches, suitable grounds being provided with hot and cold water and other comforts. The Red Cross Society and other organizations will sell ice cream and other light refreshments, but all are advised to bring a basket lunch. A trip up the auto road on Mount Revelstoke is being arranged for Friday, the 18th.

## FATAL ACCIDENT OCCURS ON THE WESTSIDE ROAD

Car Upsets And Crushes Life Out Of Driver

While travelling at high speed on Friday afternoon from Pentiction in an attempt to catch the 4 o'clock ferry from Westbank to Kelowna, David Wesley Robertson, of Pentiction, met instant death through the overturning of the car which he was driving.

The car, a McLaughlin, belonged to Mr. John August Erickson, of Pentiction, and, according to the account of the affair given by him to Coroner Weddell, he left Pentiction together with Robertson at about 2 o'clock, driving the car himself. Just before reaching Peachland, a car following him, which apparently was driven by Mr. Byron McDonald, blew its horn in order to get by, but Erickson increased his speed to about 20 miles an hour until Peachland was reached, when he slowed down and let the car go by. Robertson then urged to be allowed to drive the car, in order to make the ferry in time. Erickson consented and Robertson took the wheel. He began to drive at a speed that Erickson considered unsafe, owing to the condition of the road, and he warned Robertson to moderate the rate of travel. The driver, who was an experienced chauffeur, paid little heed to the warning, but the catastrophe happened so suddenly that Erickson was unable to give the corner a clear explanation of its cause. While rounding a turn at a point a few miles from Peachland, near the McKinnon property, the car suddenly turned over, throwing Erickson out and through a barbed wire fence, while the unfortunate Robertson was pinned underneath and instantly killed, his neck being broken.

Dazed by the shock but unhurt save for minor cuts and bruises, Erickson picked himself up and hurried to the car. He was unable to do anything to extricate his companion, who was evidently beyond help, but he crawled under the car and shut off the gasoline, as the engine was still running and he was afraid that the car would catch fire and burn up the body. He shouted for help and presently two men came along and helped him to remove the corpse.

A message was phoned to Kelowna, and Dr. Knox and Chief of Police Thomas promptly went over. Through an oversight, probably owing to excitement, Coroner Weddell and the provincial authorities were not notified until later, and Mr. Weddell followed. By that time the body had been removed to the ferry wharf, and Mr. Weddell accordingly did not go on to the scene of the accident but accompanied the body to Kelowna.

As there were no witnesses of the accident other than Mr. Erickson, and the cause of death was quite clear from the examination made by Dr. Knox, the coroner decided it would not be necessary to hold an inquest and he issued a permit for removal of the body to Pentiction for burial. Mr. A. G. Robertson, father of the deceased, came up from Pentiction next morning and took the remains south on the afternoon boat.

The immediate cause of the car turning over remains in doubt. Apparently there was some shale spread on the road at the fatal turn, and the car seems to have skidded sideways and then turned over once or twice. Two of the wheels were badly smashed, but it is only a matter of conjecture whether they collapsed when the car skidded or whether they were broken by the impact on turning over. Provincial Constable Pentecost thoroughly examined the scene of the disaster but nothing was ascertained to throw fresh light upon it.

The deceased was only 23 years of age. He had lived with his parents at Pentiction for a number of years, and was very popular in the community. The funeral was held at Pentiction on Sunday.

## FIGHTING BREAKS OUT IN UPPER SILESIA

BERLIN, July 6.—Six persons were killed in fighting which broke out between civilians and French troops at Peiskrescham, near Oppeln, Upper Silesia, on Monday. The French were marching through the town when a shot was fired at the column. This caused the troops to halt and open fire. The firing continued for three hours.

## FORMER KELOWNIAN IN WISCONSIN

Rev. H. D. Riggs Is Ordained As Pastor

Rev. H. D. Riggs, formerly of Kelowna, is now pastor of the Baptist Church at Warrens, Wisconsin. Writing to The Courier under date of June 27th, he forwarded the following account of his ordination, taken from the "Tomah Journal" of May 19th.

"The Baptist Church at Warrens issued a call for a council to assist them in the ordination of their pastor, H. D. Riggs, to the gospel ministry. Six different churches responded to the call by sending representatives.

"Mr. Riggs passed a very successful examination as to his Christian experience, his call to the ministry and his views of Christian doctrine, and the council unanimously and heartily recommended he be ordained. The examination was held on the afternoon of Monday, May 15th, and the ordination service was held the same evening. The pastor of the Reedsburg church, F. E. Fisher, conducted the introductory service; W. S. Stewart, pastor of the First Baptist church of LaCrosse, preached the sermon. Palmer Hartough, of Ontario, offered the ordaining prayer as all members of the council laid their hands upon the head of the kneeling candidate. The hand of fellowship of the ministry was given by Rev. Matthew Doherty, of Hustler; the charge to the candidate was given by E. R. MacKinney, of the First church, Eau Claire, and the charge to the church was given by A. LeGrand, the superintendent of the Wisconsin State Convention. Benediction by Rev. H. D. Riggs.

"Raymond Pierson, pastor of the First church of Janesville, acted as leader of the service, and at the close gave some fitting words to the memory of Rev. Catchpole, the first pastor of the church at Warrens, who was buried at Black River Falls the same afternoon."

Mr. Riggs states that the farmers in that district are just finishing the harvest of a magnificent crop of strawberries, some reporting a very large yield per acre. The fruit has been excellent, owing to almost ideal weather with alternate rain and sunshine.

## WATER BAIIFF IS MISTREATED

Case Against Japanese Fails For Lack Of Identification

An interesting case was tried before Magistrate Weddell on Monday, when two Japanese named Yamamoto and K. Fudatati were charged with having unlawfully molested and impeded Raymond Laws, a water bailliff duly appointed under the Water Act, in the exercise of his duties under the Act. The date of the alleged offence was Wednesday, June 28th, and the scene was the headgate on Mill Creek which supplies Bankhead, Guisachan, the Pridham orchard and other properties.

According to the evidence given by Mr. Laws, he was at the headgate at about 10 p.m. when he was suddenly assailed from behind by two men whom he judged by their speech to be Japanese. Owing to the suddenness of the assault and the darkness, he was unable to give an accurate description of the men, and he could not swear to the identity of them with the accused. One of them was taller than the other, and one stooped a little, so far as he could see. They said something about wanting water, and then they forced him down on the ground and taking out one of his shoe laces, they trussed him up, tying his wrists behind his legs in such fashion that he was helpless. They then took him to the creek and put him in, but apparently there was no attempt made to drown him, as the water was too shallow. He got out of the water, the men having disappeared, and crawled in his trussed-up condition to the house of Mr. A. J. Sears about half a mile away, which he reached about 11.30, and Mr. Sears answered his cries by coming out and releasing him from his bonds.

Capt. G. D. Cameron testified that the night of the alleged assault was the date allotted for irrigation to the Byrns property, upon which the accused Japanese are growing onions upon shares. Mr. Manly Byrns stated that he was driving to town about 8 o'clock on the night in question with his wife, and he met the Japanese going home. On his return, about 10.15 p.m., he found

## THE COLLETT BARN IS VISITED BY A DISASTROUS FIRE

Hot Fire On Thursday Night Ravages Building For Second Time In Its History

Nine years ago the large concrete building on the corner of Lawrence Avenue and Abbott Street, opposite the Lakeview Hotel, familiarly known as the "Jenkins Barn," but actually the property of Mr. J. H. Collett, of LaCombe, Alberta, was gutted by fire, and on Thursday night there was almost an exact repetition of the disaster, about the same amount of damage being done.

The alarm was given at 10.20 p.m. and the Brigade turned out at once, but the fire must have been smouldering for some time and had gained great headway unobserved, as it gave the boys a hard tussle for over an hour, although great streams of water were played upon the blaze from several lines of hose. The outbreak occurred apparently about the centre of the building, and the difficulty of reaching the heart of the flames was intensified by dense volumes of smoke, the equal of which has not been seen at previous fires for many years. The firemen could not have done much in the choking fumes if it had not been for the protection afforded by respirators, and early spectators who got to windward were forced to flee in haste to avoid asphyxiation. A strong westerly breeze fanned the flames and repeatedly, when it seemed the Brigade had got the fire under control, it broke out afresh and blazed more fiercely than ever, but in the end the boys won the mastery, and it is due to their good work that danger to adjacent buildings, especially the Lakeview, was averted.

The Jenkins Company, whose lease terminated the following day, had moved some time before to their new building on Water Street but they had some equipment stored in their old premises, including a large motor truck, a smaller truck, a hearse and miscellaneous material. The large truck was saved in a slightly damaged condition but it was impossible to reach some of the other articles and they were destroyed or so badly damaged as to be valueless. The Jenkins Company estimate their loss at about \$2,000, covered to the extent of about \$1,300 by insurance.

The loss on the building is estimated between \$3,000 and \$4,000, and it is understood that it is fairly well covered by insurance. The roof was burned off to nearly the same extent as in 1913, only a comparatively small portion remaining intact at the west end of the building, on Abbott Street. The east end also escaped in lesser degree, the heat of the fire having raged both ways from the centre of the building.

The origin of the fire remains a mystery. While the doors of the barn were closed, some of them apparently were not locked, so that Weary Willies could have entered in search of lodging, did they so desire, but it hardly seems likely that any of the fraternity would seek the stuffy atmosphere of a closed-up building on a warm summer night when the adjacent Park offers plenty of beds under the stars and good ventilation.

The men had not left their house since coming back from Kelowna.

Mr. A. C. Parfitt, who accompanied Mr. Byrns to Kelowna, corroborated. Maki Yamamoto, wife of one of the accused, gave evidence to prove a complete alibi, stating that the men returned home about 8.30, did a little work round the house, had a smoke and went to bed about 10 o'clock.

Yamamoto gave similar evidence and denied having seen Laws at all on Wednesday. He disclaimed any knowledge of irrigation work, which he left to his partner, Fudatati.

K. Fudatati also denied having seen Laws on the day in question or having known him.

Mr. K. Iwashita interpreted for the Japanese witnesses.

Messrs. O. F. D. Norrington, of the Water Branch, and F. W. Pridham gave Mr. Laws a good character for reliability and truthfulness.

After hearing the evidence, Magistrate Weddell dismissed the case, holding that identification of the accused with the men who committed the assault had not been established.

Mr. T. G. Norris prosecuted on behalf of the Crown and Mr. H. V. Craigh defended.

## ADDITIONAL LOCALS

Very high temperatures have been reported throughout the rural districts during the past week. On Monday afternoon, 96 was registered on a normally well-behaved thermometer hung in the shade of the East Kelowna ranch verandah, but Rutland claims the Hadean championship with 103, recorded upon a thermometer hung in the shade of an ice-house! Next, please. The intense heat has been modified to some extent within the past two days by the pall of smoke in the sky from distant forest fires, but the atmosphere is close and a freshening rain is eagerly hoped for.

A pleasing variation to the ordinary programme at the "Empress" Theatre was provided on Monday and Tuesday nights by the attendance of Miss Amy Burne, A.T.C.M., daughter of Mr. and Mrs. J. F. Burne, who most acceptably rendered a couple of songs each evening. She possesses a rich, powerful and well-trained contralto, and bids fair to make her mark in the musical world. She was introduced on Monday evening by Mr. J. W. Jones, M.L.A., who claimed her as a native daughter of Kelowna. Her numbers were insistently encored and on Tuesday night she was made the recipient of a lovely bouquet of flowers.

The Okanagan Valley annual lawn tennis tournament commenced here on Monday and play will be continued daily until the finals are reached on Saturday. The weather has been most propitious, although decidedly on the torrid side, but the vigour of the play has not been affected by the heat, and some excellent games have been seen. The new courts of the Kelowna Lawn Tennis Club afford splendid accommodation for the tournament, and those interested in tennis should not fail to see the semi-finals and finals. We hope to publish the full results next week, none having come to hand so far.

## CHEQUE TAX IN FORCE ON AUGUST 1ST

OTTAWA, July 6.—Some confusion apparently has arisen with regard to the date when the new stamp tax on cheques will come into force. An official announcement today intimates that the new rate of 2 cents stamp tax for every \$50 of amount of money for which a cheque is drawn, up to not exceeding \$5,000, will become effective August 1st, next. Cheques drawn for any amount exceeding \$5,000 will be subject to the same tax as those drawn for \$5,000, namely two dollars.

## PHILHARMONIC CLOSSES CONCERT SEASON

Enjoyable Entertainment In Aquatic Pavilion On Monday Night

The Kelowna Philharmonic Society brought their season to a close on Monday night with a promenade concert followed by a dance, in the cool and pleasant surroundings afforded by the Aquatic Pavilion. The double event proved an entire success and was much enjoyed by about a couple of hundred people.

The orchestra of the Society, eighteen strong, under the able leadership of Mr. A. L. McCandlish, proved the piece de resistance of the concert, the items rendered being enthusiastically encored. The only disappointment in the instrumental portion of the programme was that Mr. McCandlish was unable to give his promised clarinet solo, to which many people had looked forward as a treat, but some compensation was found in the charming voice of Miss McDougall, who kindly filled the gap at short notice.

Mrs. J. M. Harvey and Mr. Wigglesworth are always favourites with Kelowna audiences, and their songs were received with keen appreciation, encores being demanded and accorded.

The spirited playing of the "Anvil Chorus" brought the concert to a conclusion, after which the floor was cleared and dancing became the order of the evening. The music was supplied by members of the Society, who gave their services free of charge, and its quality was of the best.

The concert programme was as follows:—

March, "Entry of the Gladiators" Fucik.

Overture, "Orpheus in the Underworld," Offenbach.

Song, "Sunshine and Butterflies," Herbert Bunning, Mrs. J. M. Harvey.

Orchestra, "Intermezzo Egyptienne," Wm. Lorraine.

Song, Miss McDougall.

Song, "The Call," Oliver, Mr. H. Wigglesworth.

Orchestra, "Anvil Chorus," from "Il Trovatore," Verdi.

"THE KING."

## REPORT ON CROP AND WEATHER CONDITIONS

Horticultural Branch, Provincial Department of Agriculture

Vernon, B. C., July 1st.

Salmon Arm

The weather continues hot and dry, local showers have fallen in some sections of the district, but these have not lasted long enough to help matters very materially.

Strawberries are coming fairly strong up to the present, but the plants on most patches are showing the effects of the drought, and it is doubtful if the later berries will size up in many places. Raspberries will be starting fairly soon now and are in great need of rain.

Gooseberries are out in small quantities, also cherries. Moisture conditions in most orchards are satisfactory up to the present, the fruit is sitting well, and the trees are putting on a satisfactory growth, but unless we get some good rains there will be trouble ahead.

Vernon

In the Vernon, Oyama, Okanagan Centre and Armstrong districts the Wealthy, Duchess and Yellow Transparent apples are below average and the crop will not run more than 70% of last season in these varieties. McIntosh are showing fairly good while Jonathan are generally heavy. On the whole the fall and early winter varieties may be put at 10 to 15% below 1921. The winters will be off 20%. While Delicious are very heavy, such varieties as Rome Beauty and Newtowns are slightly under par, while Wageners are off very considerably. Taking the tonnage as a whole, the tonnage will run approximately 85% of 1921.

Crab apples 50 to 65 per cent., pears 85 per cent. of last year, plums 35 to 90 per cent. and prunes nearly up to normal.

The water situation at the present time is rather serious owing to the low precipitation of the past few months. Storage water is below normal in Vernon and elsewhere. The supply at all points is being carefully conserved.

Kelowna

The outlook for the apple crop at the present time is about 80 to 85 per cent. of last year. McIntosh will run about 75 per cent. Jonathans 110 per cent. Delicious up to 200 per cent. Wageners and Newtowns 50 per cent. crabs 25 to 35 per cent., pears 80 to 85 per cent., plums and prunes 110 per cent., cherries, while the sizes may not be up to last year, the crop should run pretty close to 100 per cent. of last year.

The big factor which will influence the tonnage in this district this year on the favourable side is that Glenmore and Rutland districts will be heavy in sections where destructive frosts were experienced in several years previously. Some shippers go as far as to say that the district will have 100 per cent. of last year's apple tonnage, but this is not the opinion of the majority and the percentage given seems to be the consensus of opinion.

The water supply may have an influence later on in the season which will not be at all welcomed. In other words, the supply at the present time does not seem to be as abundant in any of the three systems in this district as it might be, and the storage capacity is below normal. If rains do not come and assist the situation by relieving the heavy drain on the storage water, much grief in the way of small apples may be expected later on. All fruits, particularly apples, at the present time are of splendid size, and showing some good development although considerable Drouth Spotting is in evidence where the soils are deficient in humus.

Pentiction and Keremeos

In this district Winesaps, Delicious, Jonathan and Spitzenberg are carrying good crops generally. McIntosh, Yellow Newtown and Wagene, are very uneven, and although the fruit will possibly pack out better than last year, the tonnage for these varieties will be much reduced. Pears do not appear to be quite as heavy as last year, although a very fair crop is showing. All soft fruits with the exception of prunes, are good; peaches and sweet cherries being a good deal heavier than last year.

In the Pentiction district the crop will be approximately as follows: ap-

## Prairie Crop Conditions

The past seven-day period has on the whole been favorable from a weather and crop standpoint. All reports indicate satisfactory growth being maintained. Recent rains have greatly benefited districts where dry conditions existed. Pasture and feed situation good and much improved by recent rainfall. Farmers are rejoicing over the prospects of a bumper crop.

## The Strawberry Deal

The strawberry deal has not been as smooth and without its thrills as was expected. Early in the week the Independents at Winnipeg brought in American berries from Hood River and Seattle. The B. C. berries were in the hands of the Nash houses, and for reasons not clear to us at present, a very lively fight was waged. Prices slumped to \$2.50 per crate in Winnipeg. Distribution to outside points was interrupted by the wires being down due to the storm, and until travellers returned to the city the country orders were not known.

B. C. strawberries arrived in good condition. Some complaints were heard owing to some being too ripe and others too green. These complaints were mostly the buyers' way of driving a satisfactory deal, as neither complaint would have been heard on a large market. Slack pack is a genuine grievance in several cases, and allowances have been made on that ground. Growers should see that packages are full. The full express is charged on them, and when they are less than the required rate, it means paying an excess on freight and taking a rebate loss, which is always more than the actual shortage. We have forwarded some of the numbers of offending packers to the organization.

The L.C.I. shipments from the Association have done a lot to queer the market. Repeated wires from us have not been successful in cutting them off. It is unfair to those in charge of distribution to have over 250 crates a day shipped L.C.I. These are sold at a lower price—usually being soft—and this price affects the car lot prices.

Saskatchewan has done remarkably well. The Mutual Brokers have handled the deal in the best possible manner, both in Saskatchewan and Alberta. The pack has been better than usual, taking it from start to finish, and the quality sent from the different districts has been more on a par than formerly.

Island and Wynndel berries have only a slight preference over others this year.

## Port Arthur Express Rates

We expect to hear by our next issue from Mr. G. E. McIntosh, who will discuss the above rates with principals of the Dominion Express Company today (June 30th). This is a place where Canadian grown berries are shut out by virtue of an adverse express rate. The present express rate to Winnipeg is \$2.40 per 100 lbs., which is a blanket rate from B. C. points to prairie points. From Winnipeg to Port Arthur costs an additional \$2.70 per 100 lbs. This with icing charges amounts to about \$1.25 per crate for strawberries, making the laid down price \$3.50, based on \$2.25 f.o.b. shipping point. Hood River strawberries routed via Duluth are being laid down in Port Arthur at \$2.80 and are wholesaling at \$3.25 per crate there. From past experience with the Dominion Express Company, we believe that they will not allow this adverse condition to continue. Port Arthur has made enquiries for our straws, rasps and blackberries as well as for our Bing and Lambert cherries, and while we have need of their market we are helpless to supply it at present.

## Vancouver Produce Market

The weather during the past week continued warm and dry, with the exception of a light shower or two at the beginning of that period. Heavy rains are much needed.

**Strawberries:** This morning showed a marked falling off in receipts. According to all reports, the peak has passed and unless there is immediate rain the deal will reach a speedy termination. Prices have ranged between \$2.50 and \$2.00 during the week, with the bulk of the sales at \$2.25. There has been a high percentage of off-grade stock, some of which sold as low as \$1.25. Growers would be well advised to avoid as far as possible Saturday morning deliveries, and if such deliveries are unavoidable to make them as light as possible. Unless such deliveries arrive upon a bare market or one which is nearly so, sales must be forced or the stock carried over until Monday, when it would necessarily be sold as holdovers.

During the last ten days local canners have imported 12 car-load lots from Washington.

New potatoes are wholesaling at 4c per lb., or \$3.00 to \$3.50 per sack. Chinese and Hindu growers are making deliveries direct to retailers at \$2.75 to \$3.00 per sack. This practice certainly does not tend to hold the market.

**Old Potatoes:** Good stock is fairly well cleaned up and today a carlot of

Yakima Gems arrived on the Row. This is the first carlot to come across the line during the 1921-1922 season. The stock is well graded and in good condition for this time of the year.

Yakima Gems were offered this morning at \$1.80 f.o.b. Yakima. By close figuring this would mean \$3.25 Vancouver. It is probable that there will be further arrivals.

Tomatoes are rather scarce, and both field and hothouse stock show a considerable increase over last week's price.

Cherries are in plentiful supply, receipts being divided between the Okanagan Valley and Washington. Bings and Royal Annes are the varieties offered. Bings from 23c to 26c and Royal Annes 20c and 23c.

There are plentiful offerings of seasonable vegetables at prices as listed. A car of Imperial Valley melons arrived and sells at 7c or 8c crates. Florida melons are the same price. Cantaloupes are down to \$5.45 for standards and \$2.75 for flats.

A carlot of California plums and peaches will arrive tomorrow and will wholesale at \$3.50, \$3.75 per 4-bskt. crate, and \$2.75 per box respectively.

Gooseberries are up to 10-12c per lb. B. C. green peas have replaced the California product and sell at 10-11c per lb. Most receipts are well filled.

Poultry is still weak and probably will remain so during the next month. Excess receipts are going into cold storage.

Eggs remain steady at last week's prices. There are light importations from Washington which wholesale at the same level as B. C. fresh.

Butter is firm and 41c is asked for Alberta Special prints. This is 2c increase over last week.

Country dressed veal brings the shipper 14c for tops. Prime light hogs (country dressed) are 17c delivered Vancouver.

## No Change In Apple Grades

The new grades for apples adopted at the last convention of Dominion fruit growers at Ottawa, held in the latter part of January, which did away with the No. 1, No. 2 and No. 3 grades for box apples, substituting Extra Fancy, Fancy and C Grade in their place, will not be enforced by the Dominion Government fruit inspectors this year. We will publish the requirements of the new grades as soon as the information is available. This change will mean more uniformity in pack and colour. The change was long past due. Growers will adapt themselves to the change very quickly.

It would be well to practice on this season's pack. Following are the American grades which are similar to what the Canadian will be:

## We Are Headquarters for Everything in Fertilizers Seeds Sprays

Agricultural Lime	Flower Seeds	Dry Lime Sulphur
Imperial Colonial	Vegetable Seeds	Arsenate of Lead
Dominion	Field Seeds	Paris Green
Nitrate of Soda	Clovers	Black Leaf Forty

## REPORT ON CROP AND WEATHER CONDITIONS

(Continued from page 1)

pears, 60 per cent.; crabs, 45 per cent.; pears, 75 per cent.; plums, 90 per cent.; prunes, 90 per cent.; peaches, 140 per cent.; cherries, 125 per cent.; apricots, 110 per cent. The Kereveos district will run about: apples, 110 per cent.; plums and prunes, 125 per cent.; pears, 100 per cent.; cherries, 100 per cent.

### Summerland

The weather is keeping hot and dry and vegetable crops are being forced along. Cherries are ripening fast. Black Tartarian and Royal Annes are being picked now. Binga will be ready in some places next week. Royal Annes, Bings and Lamberts will be of good size and quality.

Apricots have passed the stoning period, and peach thinning is about over. Apple thinning will not be general this season as the drop has been heavy in many orchards.

Summerland, Peachland, Westbank and Naramata districts' water supply is up to normal in all cases, but the creeks are falling rapidly and a shortage can be looked for should no mountain rain storms come along soon. Naramata has done much work on its system this past two years and is in good shape.

In the Summerland, Peachland, Westbank and Naramata districts the crop will be approximately as follows:

Summerland and Naramata.—Jonathan, 85 per cent.; McIntosh, 75 per cent.; Newtown, 80 per cent.; Winter Banana, 90 per cent.; Wagener, 30 per cent.; Northern Spy, 50 per cent.; Rome Beauty, 85 per cent. of last year's crop. Other varieties will run about 60 per cent. The average apple crop will be approximately 70 per cent. of last year's crop. Apricots, 120 per cent.; peaches, 100 per cent.; plums, 90 per cent.; prunes, 75 per cent.; pears, 90 per cent.; cherries, 60 per cent.

Westbank.—Apples, 60 per cent.; pears, 100 per cent.; peaches, 100 per cent.; apricots, 100 per cent.; cherries, 80 per cent.; plums, 80 per cent.; prunes, 40 per cent.

Peachland.—Apples, 60 per cent.; pears, 100 per cent.; cherries, 80 per cent.; plums, 80 per cent.; apricots, 130 per cent.

### Grand Forks

Just now in this district the chief topic of conversation is the extremely hot weather. There has been practically no rain since the early spring, with the exception of one or two brief showers. Notwithstanding the dry weather, orchard and field crops generally are doing remarkably well. In some of the orchards not so well supplied with moisture as others, there is a tendency towards a heavy June drop, but there will be plenty of fruit left on the trees. This is especially the case with Jonathans and McIntosh. Thinning has already commenced by some of the growers and will soon become general.

Prunes are showing up better than was indicated earlier in the season and will be a fair crop. Pears and cherries will be light. Small fruits will not be a heavy crop. Strawberry canes were badly killed back in the winter and the crop will be poor. Bush fruits will probably give a normal yield. Potato fields are showing up well, a good stand generally with foliage of a fine healthy colour, with little or no appearance of fungous troubles. A considerable acreage of certified seed has been planted, and an immense interest is being shown in improving the potato crop both as regards quality and quantity. The irrigation project backed by the government is fast nearing completion as far as the first unit (some 2,000 acres) is concerned, and water should be flowing on the land at an early date.

Since this issue of the News Letter was run off, the following crop estimate for the Salmon Arm and Main Line points has been received by telephone:

Salmon Arm and Main Line Points  
Summer apples, 90 per cent. of 1921 crop; fall apples, 90 per cent. of 1921 crop; winter apples, 100 per cent. of 1921 crop; crabs, 80 per cent.; pears, 100 per cent.; plums, 70 per cent.; prunes, 80 per cent.; sweet cherries, 120 per cent.; sour cherries, 125 per cent.; strawberries, 80 per cent.; raspberries, 80 per cent.; blackberries, 70 per cent.; loganberries, 60 per cent.

## EAST KELOWNA

The past week has been very hard on every one. With the thermometer on Sunday and Monday up to 100 in the shade, bathing and consuming ice-cream would be the most appropriate amusements, but there's too much work on hand to allow of any such relaxation; spraying, irrigation and cherry picking have got to be attended to. We hear Mr. Jim Fox has had to take a rest for a few days and is suffering from the effects of over-exertion in the hot sun, but his is the only casualty we have heard of.

The cherry pickers are too numerous to find accommodation on the Benches and some have had to pitch their tents on the road-side.

Several functions are due shortly for which arrangements are being made. Mr. Chairman is representing the Elks on the Benches and is working hard to get our children down to take part in the Flag Day on Thursday. Mr. Young is indefatigable in arranging details for the social in aid of the Sunday School. The School Trustees are busy getting ready for the annual meeting on Saturday.

School broke up on Friday morning. One parent was present. One can judge by this the amount of interest people take in education or anything of a public nature on the Benches.

The B. C. Growers' packing house is being run up in record time. The electricians are now busy wiring it and installing motors on the graders.

Smith's catip has been restarted and the men are making good progress with the trench for the pipe line. We hear Mr. W. Marshall has bought a McLaughlin car.

Dominion Day was hardly observed on the Benches. We noticed Mr. and Mrs. Northcott motored down from the Coldstream to spend the day with Mrs. Campbell and Mr. Allport and recall old times on the prairies.

We see Mr. Turvill is back. While in England he worked on the orchard of Mr. Best at Stocks, Worcester-shire. This orchard produced 7,000 tons of apples last year. It looks as if the Old Country wasn't quite played out yet.

Messrs. Hill and Dart are representing the Benches in the Valley tennis tournament.

The Water District Trustees held their meeting on Tuesday. It is needless to explain the gravity of the irrigation situation for it is apparent to all. There is only five weeks' water in sight. The Trustees have cut down the water to each user 25 per cent. Fortunately, we have about the best watershed of any district and supplementary supplies of water may be found. Needless to say, the Trustees are working hard along this line.

## PROVINCE LACKS POSTAL FACILITIES

Wrigley's Directory Shows That 1,499 Centres In B. C. Have No Post Office

While there are 835 Post Offices in the province, according to the 1922 edition of Wrigley's Directory, recently issued, 1,499 centres of population in British Columbia have no such mail facilities. The Directory gives the name of the Post Office nearest to such points.

This year's issue of the Directory is a bulky volume of 1,348 pages, the first thirty-six of which contain much useful information as to the personnel of the Provincial Government and its officials in Victoria and throughout the province. The gazetteer portion deals with 2,334 separate and distinct cities, towns, villages and settlements, with a local directory for each place, while, in the case of Vancouver and Victoria, the business and professional people are listed. The publishers announce that the Vancouver and Victoria sections will be much enlarged in the 1923 edition, giving street, alphabetical and classified sections and covering all firms, professions and residents. The rapid growth of the publication is shown by the fact that the 1918 edition contained 968 pages.

A new feature in the Directory this year gives the name, location and a complete description of 4,193 rivers, streams, lakes and mountains within the province. The classified business section, under 714 headings, gives the names of all business firms, manufacturers, wholesalers, distributors, and retailers throughout the province.

Wrigley's Directory is wholly produced in British Columbia, the stockholders of the company being property owners in Vancouver, while the printing of the book is entirely carried out in that city.

## GLENMORE

The meeting of the Glenmore Ladies Club was held on Tuesday, June 27th, at the home of Mrs. H. K. Todd, with a good attendance of members. It has been decided to discontinue the regular meetings during July and August.

Your correspondent in the notes of June 15th made a mistake in stating that the "Migratory Birds" lecture would be given at the next meeting of the G.F.G.A., to be held on the 10th inst. The principal business of the evening will be the debate, "Alfalfa vs. Clean Cultivation." Teams have been selected from the members of the Association and an interesting and possibly amusing evening is promised. Mr. Tom Norris, barrister, of Kelowna, has consented to come out and act as judge. Further business will be a discussion of the water question. It is hoped to have our trustees and manager in attendance for an informal talk on the advisability or possibility of increasing our storage facilities, so that in future years we can not only have earlier and later irrigation, if needed, but also prevent a recurrence of the present situation.

Mr. Wm. Daffoe, J.P., and Mrs. Daffoe, of Zetland, Alberta, who have been touring the Coast cities, came in on Saturday for a visit to Mr. and Mrs. H. Walters before returning to the prairie.

Mrs. Andrew Clarke, of Montreal, and daughter from Calgary, arrived this week to spend a vacation in the Okanagan. They are residing on Glenn Avenue.

The School Meeting, which in previous years has been postponed from the second Saturday in July to the following Monday, to give all those interested in the education of our young people an opportunity to attend, will be held on Saturday, July 8th, as advertised. This is the time to come and discuss all matters with the Trustees that will be for the benefit of the scholars. As ratepayers, the estimates for the coming year should interest all.

## G.W.V.A. NOTES

All ex-service men and dependents in Kelowna and district are invited to attend a mass meeting in the Club on Friday evening, July 14th, for the purpose of hearing the Returned Soldiers Insurance Act fully explained. Mr. Hooper, of the S. C. R. branch at Vancouver, will be present and all returned men should avail themselves of this opportunity of hearing the Act fully explained. The Secretary has received some pamphlets dealing with the matter and will be glad to pass them along to anyone interested. Don't forget the date, Friday, July 14.

It may interest members to know that the name of William Mills is to be found in the recent honors list issued by His Majesty the King. He is now a knight, and as such, entitled to far more respect and dignity than we bestowed upon him simply as "Bombs, Mills, No. 5, infantry, for the use of," with an emergency supply in the ammunition wagons. Yes, it was William who invented that delectable little playmate of our working and waking hours during two long weary years. They have made him a knight, while we folk who messed around with the fruits of his brain are lucky to retain a certain degree of health and strength. Indeed the nervous strain brought on by "wondering" while inserting a detonator is still with us. But Sir William must have tossed the first one or two, and conducted several original and startling experiments. Perhaps after all he deserved his honors.

The last weekly dance until the fall will be held tomorrow, Friday evening, in the Club Room, the proceeds to go towards the Library fund.

A well attended meeting of the Executive Committee last Thursday resulted in the appointment of a new Steward, Comrade F. G. Pharey's application being accepted. He commenced his new duties on the first.

Next general meeting Wednesday, July 12th, at 8.30 sharp.

## THE KELOWNA COURIER

**Okanagan Orchardist.**  
Owned and Edited by  
G. C. ROSE.  
Circulation, 1,200.

**SUBSCRIPTION RATES**  
(Strictly in Advance)  
To any address in the British Empire \$2.50 per year. To the United States and other foreign countries, \$3.00 per year.  
The COURIER does not necessarily endorse the sentiments of any contributed article.  
To ensure acceptance, all manuscript should be legibly written on one side of the paper only. Typewritten copy is preferred.  
Letters to the editor will not be accepted for publication over a "nom de plume"; the writer's correct name must be appended.

Contributed matter received after Wednesday noon will not be published until the following week.

**ADVERTISING RATES**  
Classified Advertisements—Such as For Sale, Lost, Found, Wanted, etc.—under heading "Want-Ads." First insertion, 15 cents per line; each additional insertion, without change of matter, 10 cents per line. Minimum charge per week, 30 cents. Count five words to line. Each initial and group of not more than five figures counts as a word. Filing fee for box numbers, c/o The Courier, if desired, 10 cents extra.  
Transient and Contract Advertisements—Rates quoted on application. Legal and Municipal Advertising—First insertion, 15 cents per line; each subsequent insertion, 10 cents per line.

Contract advertisers will please note that, to insure insertion in the current week's issue, all changes of advertisements must reach this office by Monday night. This rule is in the mutual interests of patrons and publisher, to avoid a congested office on Wednesday and Thursday and consequent night work, and to facilitate publication of The Courier so as to reach country customers before Saturday.

THURSDAY, JULY 6, 1922

## IN THE REALM OF FIELD SPORTS

## BASEBALL

Vernon 6, Kelowna 1

A ball game of more than usual interest was played at Vernon last Thursday between teams representing Vernon and Kelowna. It was the sort of game that brings out the best of good fellowship and sportsmanship, and was enjoyed to the full by spectators and players alike. Vernon people say it was the best game they have witnessed there for years. There was a big turnout of fans, who were very enthusiastic, and the players responded by displaying their best wares, so that, with the exception of one bad inning for Kelowna, it was a very tight game. Black pitched splendidly for Vernon.

There is a probability of the Vernon ball players coming down here for a return match.

The Kelowna lineup was:—Reid, 3b; Patterson, c; DeHart, 1b; Kincaid, ss; Feeney, 2b; Watt, rf; Cook, cf; McClymont, lf; LeQueene, p.

**The District League**  
The Kelowna District League, consisting of five teams, two from the city and three from outside communities, has been playing regularly every Tuesday evening all season. Every team contains some good players, and many young fellows are being trained and developed to play the game.

Sport-loving citizens of Kelowna would do well to turn up at Recreation Park on Tuesday evenings in larger numbers to encourage the boys by their presence as well as assist them financially. It is quite noticeable that the play is invariably better and more snappy when the fans are out in goodly number. Last Tuesday evening, there were a few more spectators than usual to watch the contest between the top and bottom leaguers.

R. M. R. 9, Winfield 8

The game was quite interesting, both teams when at bat doing considerable swatting. Winfield used two men in the box, Simpson being replaced by Robey at the end of the second inning after the R. M. R. had run up a total of six runs to Winfield's blank for the first two innings. The third inning looked bad for the troops when the visitors came home for five runs, but this was as near the winning post as the northerners were permitted to travel.

Score by innings: 0 5 1 0 2 0—8  
R. M. R. 2 4 0 1 2 0 x—9

Mr. Sparks, umpire, and Mr. Floyd, base umpire, gave general satisfaction, and the same sporting and friendly spirit that has existed throughout all the League games was very noticeable.

The players were:  
WINFIELD: Ferguson, ss; Robey, p; Ellison, 1b; Patterson, c; Sadler, lf; Richards, 3b; Gibb, cf; Phillips, rf; Simpson, 2b.  
R. M. R.: Rowcliffe, ss; Bakos, 1b; Leckie, p; Parkinson, c; Brown, lf;

Berard, cf; Bourke, 3b; Almour, 2b; Dick Parkinson, rf.

Elks 17, Rutland 4  
At Rutland last Tuesday evening the Elks took a strangle hold on top position in the League by defeating Rutland.

There was a good crowd out to see the game, which was unfortunately marred by an accident to Quigley and Day of the Rutland team in the third inning, when they collided in going after a fly, Quigley's cheek being cut and Day receiving an injury to his eye which necessitated his making a trip to Kelowna to have the wound dressed and stitched. The accident considerably weakened the Rutland nine, although Quigley gamely played to the finish.

The lineup for the Elks was: McLeod, cf; DeHart, 1b; Urquhart, ss; White, c; McClymont, p; Wyrzykowski, lf; Spurrer, rf; Wright, 2b; Reed, 3b.

Winfield at Rutland.

## FOOTBALL

"Oh had some power the giftie gie us  
To see ourselves as others see us!"  
—Burns.

The following quotations, in reference to the recent game at Kelowna in the Robertson Cup competition, are from the "Kamloops Telegram."

"Kamloops football team fails to hold Kelowna on ploughed field."  
"All the Kelowna boys played well."  
"Cordiality lacking."

"During the progress of the game one of the officials informed the writer that, win or lose, the visitors would be entertained after the game."

"One of the automobile drivers was so disgusted with the treatment meted out to the Kamloops boys at Kelowna that he refused to buy gasoline in that city."

"Not a single hand for the visitors, while the local boys got quite a reception."

"Their combination was far superior to the visitors', and on that alone they thoroughly deserved their victory."

After that what more is to be said? The last quotation really covers the whole tirade and fully answers it. We refuse to believe that the Kamloops team are in sympathy with the biased opinions above quoted, our great fault being that the Kelowna football team played a better game and won on their merits. They were no more accustomed to the soft going of the field than were the visitors, and saying that it was a ploughed field is apt to give the uninformed quite an erroneous impression.

As to the lack of cordiality, we are informed by reputable citizens who know, that when our team visited Kamloops in September, 1920, they spent the night preceding the game in that city and were in no sense hospitably received, welcomed or entertained, and after winning the cup on that occasion, there was a delay of two hours while the trophy was being located and turned over to them.

No official of the Kelowna Football Club told any person that there would be any sort of entertainment provided for the visitors. If any one else made such a statement, he was speaking without authority.

As to the reception of the teams by the spectators, there is only this to say, that neither team was accorded a rousing cheer. It remains but to state that the weather when the teams left the field and for some time after was such as to dampen the ardour of any one.

It is unfortunate that the weather conditions were so unfavorable. Given favourable conditions, our boys would have walked away with the team representing Kamloops.

## LACROSSE

Armstrong 3, Kelowna 1

The northern town with the celery flavour presented a bright holiday appearance to visitors on Saturday, the principal buildings being decorated with flags and bunting and the main thoroughfares festooned with evergreens. The agricultural grounds, where the sports were held, are conveniently situated just a few minutes' walk from the centre of the town. A most pleasing effect is the double row of shade trees within a portion of the enclosure, adding greatly to the comfort and pleasure of the spectators, who were thus protected from the sun's rays, while those who preferred a seat in the grand stand were charged the moderate sum of 25 cents.

The writer was transported to Armstrong by Mr. Howard Welch, assisted by Henry Ford, the journey being made quite comfortably in about three hours. Knowing that the lacrosse boys had considerable difficulty in obtaining enough autos to transport them, we were surprised to see one of our business men making the trip alone in a nice big car.

There was a goodly representation of Kelowna folk among the crowd. Our team was weakened by the absence of several of the regular players,

and it was necessary to substitute others who were handicapped by not having previously played together. Spear, Shillingford and Caldwell being notable absentees, while the Armstrong team was at full strength and in good condition.

Under a blazing sun the game began at 3.20 p.m. Our boys carried the play to the Armstrong end, playing rather loosely. Murray was called on and saved. Kennedy assisted Featherstone, who landed a swift shot, scoring the first goal of the day and what proved eventually to be Kelowna's only point. After the face-off, both sides warmed up the pace. Murray again saved and the ball was quickly taken to the Kelowna end, where Kincaid made a nice save, but Armstrong were not to be denied. Keeping up the attack, they were rewarded with a score by Turnbull.

The heat and strenuous nature of the checking seemed to have an incendiary effect upon the tempers of some of the players. Raymer scored a nasty jab in the face from an opponent's stick, but the foul was unseen or ignored by the referee. This led to retaliatory tactics, roughness developed fast and an argument opened near the Kelowna goal between Raymer and Hamill. The referee stopped the play and the men from each side, to rest for five minutes. The game being resumed, the ball was worked over to the Armstrong citadel, but the first period soon came to an end thereafter with the honours evenly divided and the score at one goal each.

The second period opened with an attack upon the Kelowna goal by the Armstrong home, who were finding out the weak spots in our defence. Kincaid, however, was right on the job and put up a staunch resistance until, from a scrimmage in front of the goal, Hamill succeeded in poking the ball into the net for Armstrong's second tally. The play continued to be rough, the referee, an Armstrong man, being rather lenient to his townsmen. Tom Phillips tripped, injuring himself, and had to be replaced by a spare player. Shortly before the end of the second period and with the play in Armstrong territory, Raymer was sent off the field for five minutes. He disputed the justness of the penalty, and the referee then made it twenty minutes. This angered our captain, who frankly expressed his opinion of the referee. With both men now in a passion, the referee increased the penalty to cover the balance of the game, whereupon Raymer went off the field followed by his team mates, and it looked as though the game was over.

So far, both teams at times had played good lacrosse, the Kelowna home showing fine work in front of goal, but the Armstrong defence was too much for them. On the defence end Neill easily outshone his team mates, although Raymer, DeHart and McLennan played well. Fowler, Day, McPhee and Duncan played their usual game but all our men were closely checked by the opposing players. The play was marred by being unnecessarily ragged and rough.

About half an hour was spent in discussion among the players and officials, a decision being finally reached to play two ten-minute periods with ten men a side, Capt. Raymer and Geo. Kennedy retiring from the Kelowna team and Capt. F. Murray and Alex. Phillips from Armstrong. The teams now gave the spectators a very good exhibition of lacrosse, playing a fast and fairly clean game. Murray was called on to save, which he did in his usual masterly way. Fowler went down, being fouled by Lingings, and the play stopped, but Fowler was soon up again, and the game was resumed. Both goals were visited in rapid succession, the respective custodians saving in fine style. The play was transferred to Armstrong territory, but our team, over-anxious to score, lost several chances through individual effort instead of relying on passing. This may have been caused by the good defence work of their opponents or by an idea that each man could do the trick alone, but in any case golden opportunities were lost, and the period came to an end without either side having scored.

The final spasm was hotly contested, Armstrong having the best of it, but our boys putting up a game fight. After several end-to-end passes in which both goals were assailed, McCullough finally tallied Armstrong's third point. Our home found the Armstrong defence and Murray in goal too much for them, despite numerous well-conducted attempts. Kincaid had some anxious moments but he was ably assisted by the defence, and the game closed, with Armstrong vainly trying to increase their lead of 3 to 1.

The respective teams were:

	Goal	Goal
Kelowna	Kincaid	H. Murray
Neill	point F. Murray (Capt.)	
Raymer (Capt.)	c. point	Loudon
DeHart	1st def.	Hallam
McLennan	2nd def.	Pat Turnbull
Fowler	3rd def.	Tom Phillips
Day	centre	Collis
McPhee	3rd home	Lingings
Duncan	2nd home	Jim Phillips
Featherstone	1st home	Alex. Phillips
McMillan	outside	Hamill
Kennedy	inside	McCullough
	spares	Horrex, Mills and Taylor.

Referee: Geo. Smith.

### THE CORPORATION OF THE CITY OF KELOWNA

#### PROPERTY FOR SALE

Offers will be received by the undersigned up to 12 o'clock noon on Monday, July 10th, 1922, to purchase Lots 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000. 46-1c

### NOTICE TO FRUIT GROWERS AND SHIPPERS

In order to protect the non-infected orchards of the Kelowna and other Districts from the Codling Moth, it has been deemed advisable to regulate the use of orchard boxes in the entire Kelowna District, exclusive of the K. L. O. Bench, during the 1922 season as follows:

(1) The use of orchard or field boxes for the delivery of Apples, Pears or Crabs to packing houses is prohibited in the Kelowna District until October First, 1922. Orchard and field boxes which have, until July First, 1922, been under quarantine are released after that date for the handling of Apples, Cherries, Plums and Prunes and other soft fruits. Should any orchard boxes be detected in the shipping houses in the Kelowna District containing Apples, Pears or Crabs before October the First next, they will be immediately placed under quarantine by officials of the Department of Agriculture for the balance of the season 1922. After October First, Apples or Pears may be moved in orchard boxes to packing houses.

(2) This order does not apply to orchard or field boxes used and retained solely on the property of the owner, but is intended to apply to boxes which travel back and forth from general packing houses to the orchards of the district throughout the season. Furthermore, the above order is not applicable to the K. L. O. Bench District, where separate orders relative to the movement of the containers described have been issued.

(3) The movement or transfer of orchard or field boxes from Kelowna to any other district or districts in the Okanagan Valley is prohibited until further notice, except where special permission is granted by officials of the Department of Agriculture.

Published under authority of Part VII of the Agricultural Act, 1915, and Amendments thereto, being embodied in Clause 6, Subsection 8.

W. T. HUNTER, District Horticulturist. Horticultural Branch, Department of Agriculture, Vernon, B.C., July 3rd, 1922. 46-2c

### Farm For Sale

10% CASH—BALANCE IN 25 YEARS AMORTIZED

The Soldier Settlement Board of Canada offers for sale by Public Tender the following Parcels of Land: Parcel Number 20, known as Lot 24, and the West 1/4 of Lot 18, District Lot 3483, O.D.Y.D. The property contains approximately 15 acres, and is situated 1/2 mile from Glenora and 3 miles from Westbank.

Parcel Number 34, known as part of Lot 168, O.D.Y.D. Property contains approximately 20 acres, and is situated 6 miles from Kelowna. There is a Dwelling and Barn on the property.

Parcel Number 37, known as Lot 3, in Sub-division of Part of District Lot 358, Township 29, O.D.Y.D. The property contains approximately 10 acres, and is situated 1/2 mile from Okanagan Mission and 6 miles from Kelowna.

Terms of sale are 10 per cent of the purchase price in cash on acceptance of the tender, and the balance in twenty-five equal annual instalments, with interest at 6 per cent per annum on the amortization plan.

Each tender must be accompanied by an accepted cheque for \$100.00. If tender is accepted, this sum will be credited to the purchase price of the land. If tender is not accepted the money will be returned to the tenderer.

Tenders will be opened at Vernon, B.C., on 17th July, 1922.

The highest or any tender not necessarily accepted. If the land is not sold on the date above mentioned, the Board will be prepared to receive offers to purchase until such time as it is finally disposed of.

Tenders should be in plain envelopes marked "Tender for the purchase of Parcels Numbers 20, 34 and 37." Address tenders and enquiries to: Vernon, B.C.

**The Soldiers Settlement Board of Canada**

**Where The Gregory  
Tire Company Stands  
On Price Reduction**

The Gregory Tire & Rubber Company, Limited, has declined to meet the recent cut in the price of tires. A due regard for the goodwill of our friends demands a statement why we refuse to drop prices along with other companies. The annual statements of most companies for 1921 either show heavy losses or profits reduced almost to nothing. On the other hand, the prices for materials for 1922 have rather increased than declined, and labor is no cheaper than in 1921. Wherefore, then, this cut in prices? Be the object and purposes what it may, there is one safe conclusion to be drawn from the whole affair, and that is, that the amount cut off the price is taken out of the quality of the tire.

It would be easy enough to make a ten, a five or even a one dollar tire, provided the latter were made of paper-mache. Depend upon it, you are not getting something for nothing in cheap tires. If less price is asked, be assured less value is given. A change in the materials is easily effected by the factory superintendent, substituting an inferior for a superior grade, and the price is lowered accordingly.

Our tires are economically made at a small margin of profit for the prices asked. It is believed there is not a public demand for cheap tires for the sake of cheapness. Our tires are hand-built and only a superior quality of material is used. Mileage is what you pay for in tires. We offset the cut in the price of tires three over by the extra mileage we give to the user. There is 20 per cent. more rubber on the tread and one-ply more fabric in our standard tires than is used in other makes.

The Gregory Tire & Rubber Company, Limited, has consistently maintained a high standard of quality, and this company will not compromise the reputation it has established for its goods by cutting prices and reducing standards. It is not affiliated with any eastern or American company. It is simply a purely western Canadian institution, and it depends for its support and growth upon the good opinion of its home people, and it intends to maintain that good opinion by giving excellent value for the prices asked.

Respectfully,  
**GREGORY TIRE & RUBBER CO., LTD.**

**The Small Attentions**

We went to tea the other day, our little group of friends and neighbours, to the house of a mutual friend who had left the neighbourhood when she married and had lately moved back. Helen was her name. Before we left Charles came home and when he entered the room, there was an awkward pause, during which Helen looked up at him with eyes full of wonder and reproach. Something was wrong, evidently, but Charles soon made it right. Sheepishly he stooped and kissed his wife. A light sigh of relief escaped her. One concluded that the homecoming kiss was an institution and that its omission would have been a domestic calamity. The public performance of the rite was calculated not only to still Helen's momentary apprehension, but, in her mind, at least, to indicate to the friends of her girlhood that Charles was just as devoted as on the day they were married. Probably it was quite true, but could this kissing by compulsion be regarded as any proof of it?

I was told, the other day, that another Charles, who, during the months of their engagement had sent his Helen a huge bunch of red roses every week, now, after several years of marriage, continued this pretty attention.

"How lovely," murmured a debutante who chanced to be in our midst, and "Oh!" sighed the wife of the poor man, as we listened to this tale.

Then I remembered how Helen always had red luncheons. I suppose it would have destroyed the sentiment if Charles had sometimes sent her daffodils, but there would have been much more of a variety and seasonal charm to her luncheons. Charles couldn't afford roses and daffodils, too. Then, violets would so often have added just the right touch to Helen's gown—she wore colours of that trend. Or, to go out of the realm of flowers entirely, I know there are so many things Helen pines for but the money that might buy them goes into red roses. I think Charles would gladly make a change—the whole thing grows a bit monotonous, but Helen holds him up to it. Her married happiness seems to be built on a foundation of red roses.

What good, I wonder, can there possibly be in these systematized attentions. Wouldn't a handful of marigolds, bought because Charles was thinking of you, Helen, or a thirty-five cent bunch of violets that reminded him of your eyes, be worth a bushel of roses sent week by week on a perpetual order to a florist?

That it is the little attentions and thoughtfulness, the little signs of unaltered affection, that rejoice the heart of a wife, every woman knows. That the man of solid qualities and a high indifference to the trivialities of expression takes second place in the eyes of the average woman to the possessor of a quick perception of little courtesies and a facility for tender and appreciative speech many men observe with chagrin. That the solid qualities prove an increasing comfort, while the little attentions all too often peter out during the first few years of married life, some women have learned. And profiting by the experience of these, many a wife starts out to hold on to the dear glories of daily existence with all her might, crushing them, very likely, into poor lifeless forms in her too eager hands. Like captive butterflies they are limp and inglorious. The only way to attract butterflies and attentions from husbands, and other spontaneous and elusive things, is to create a right environment and cultivate those flowers of the spirit that are irresistible.

## You Must Tell 'em to Sell 'em..

On your shelves, in your stock room or warehouse, are the goods you have for sale.

In the homes all around are the folks for whom those goods were produced—The buyers.

You have the goods, they have the money. But there's no particular reason why the public should come to you. Mr. Merchant down the street handles the same line of goods. The happiest solution and the logical one is to ADVERTISE. Tell 'em.

Advertising is today the greatest force in modern business progress. Its powers can be quickly, efficiently, economically applied to your business.

Get the facts from "The Kelowna Courier."

### A Word to the Wise

The advertisements you see in our columns are the invitations to you of responsible, progressive business men.

Head Office, Toronto, Canada.

### RUTLAND

Mr. W. A. Arthurs, the school principal, left on Friday for his home in New Westminster.

Miss I. Dean and Mrs. Fisher left for the Coast early last week, for the summer vacation.

Miss Isobel Stringer has accepted a position in one of the Coast hospitals. She left on Friday for Chilliwack, where she will spend a six weeks vacation prior to taking up her duties as a nurse.

Miss Gwen Hunt, of Edmonton, arrived on Dominion Day to visit Mr. and Mrs. H. J. Logan. Miss Hunt is a niece of the genial "Herb."

Mrs. F. Meek and family arrived Tuesday from Vancouver to spend the holidays with Mrs. Meek's parents, Mr. and Mrs. W. Gay.

We are glad to see Frank Guest around again after his unfortunate illness.

The Scouts lose a recently invested member in Scout E. Adams, who left this week for Victoria.

Miss A. Perrin, of Toronto, is visiting Mr. and Mrs. B. Vigus.

Mr. J. F. Guest is in the district again after a long absence in the Queen's country on mining business.

Miss Earla McDonald is home again for the summer holidays, from her school near Armstrong.

Miss R. Hilliard, of Hillcrest, B.C., is visiting Miss Earla McDonald.

Miss Mildred Ford returned last week from Ewing's Landing, where she has been teaching school for the past year.

Rev. F. and Mrs. Stanton motored to Enderby on Wednesday, returning the following day.

Your correspondent, being laid up with rheumatic fever, has had great difficulty compiling the notes of late, and wishes to acknowledge the valuable assistance of Mr. E. Blenkarn in providing reports of various meetings for this column. (Editorial Note.) We wish to express our thanks to Mr. Gray and our admiration of his pluck in carrying on at all under the trying circumstances in which he is placed, and we hope he will make a speedy recovery.)

At the Sunday School picnic on July 1st the following Scouts passed the swimming test for the First-Class badge: Patrol Leaders Jack Kemp and George Muford, Scouts Dudley Fitzpatrick, Sydney Good, Maurice Jensen, Aubrey Kemp, Francis Pgw, Herbert Stafford and Fred Vanidour. Mr. Kemp, President of the local Association, and Mr. Meacock kindly acted as examiners.

Water meetings have been very plentiful of late, another meeting being held on June 30th in the School basement. Mr. McMurray was chosen chairman and Mr. J. R. Beale, secretary, of the meeting. The extended dry weather has resulted in a shortage of storage water, and much discussion, some of it heated, took place in regard to the situation. It was finally decided to carry on at the full quota, instead of cutting down the supply, and take a chance on the rainfall to eke out the water to the end of the season.

The annual Sunday School picnic took place on Dominion Day at Okanagan Mission. It was a union affair, both the Methodist and Presbyterian bodies being represented. Although, for various reasons, familiar faces were missed, every one had a good time. A sumptuous dinner was served, and this, with lots of ice cream, was enough to satisfy the cravings of the boys and girls—also grown-ups. Sports were held in the afternoon, and after supper all returned home tired but happy. Most of the children were taken down in motor trucks kindly lent by Messrs. J. F. Guest and J. Reid. Did the youngsters forget to yell, both going and coming? We don't think!

Don't forget that this Saturday, July 8th, is the date of the Annual School Meeting. It will be held at 7 p.m., and it is to be hoped that there will be a better attendance than usual.

There was a good turnout at the meeting of the United Farmers on Monday evening, when Mr. R. H. Helmer, Superintendent of the Summerland Experimental Farm, gave an address on "Irrigation." Mr. A. C. Loosmore acted as chairman on the suggestion of Mr. Lewis, who explained that, as it was an open meeting, it would be better if some one else besides himself did so. Mr. Helmer's address was along the lines of his letter in the last issue of the Courier. He deprecated clean cultivation and strongly urged hairy vetch as a good cover crop in order to preserve the proper composition of the soil. He advocated discing the cover crop in for various reasons. At the close of

the address questions were invited and many points of interest were brought out in the subsequent discussion. Mr. Helmer was heartily thanked for his address.

It is a real hard luck story that Rutland has to tell after this week's baseball game; while the Elks had the better ball team and deserved to win, it was plain hard luck that the result was so one-sided. An accident in the middle of the game deprived Rutland of their catcher and compelled the pitcher to retire to short-stop. A reshuffle of the team occurred (always an invitation to disaster), a new pitcher entered the box—and the game was away. Balloon ascensions were not to be compared to the scene enacted in the fifth inning. When, somehow or other, three Kelowna men had been retired, it was found that the "Brother Bills" had garnered eleven runs! Every Kelowna player scored once and two of them got two tallies each. It was a painful period and there was much weeping and wailing and gnashing of teeth amongst the Rutland Rooters. The Rutlanders started a batting rally in their half of the fifth which netted them four runs, but it was a hopeless struggle. In the sixth both sides went out one, two, three, then darkness put a stop to the game.

Quigley, who started in the box for Rutland, fared pretty well until the accident, he and Day colliding while

### KELOWNA HIGH SCHOOL PROMOTIONS

(Names in order of merit)

#### From Advanced Division, Junior Grade To Matriculation Class.

Agnes Conroy, 89.1 per cent; Frances Treadgold, 84.9; Maude Kincaid, 82.8; Ivy Laws, 82.7; Alice Brown, 78.7; Ethel Burne, 77.3; Fred Morden, 76.4; Ethel Aslier, 76.3; Arthur Ward, 75.9; Earl Wilson, 75.7; John Foster, 75.5; Doris Gourlie, 74.4; Jean Wright, 75.1; Dorothy Foster, 74.7; Margaret Fumerton, 74.5; Richard Asher, 74.4; Christina Ferguson, 73.5; Bertha Thompson, 73.4; Frances Baylis, 73.2; Verna Ford, 73.1; Mildred Garner and Florence Ryder, equal, 71.5; Arthur Geen, 68.6; Teddy Groves, 66.9; Carl Brunette, 62.5.

The following students who have obtained a total of 60 per cent. will be required to pass a supplemental examination in the subjects mentioned opposite their names, before receiving their promotion: Harry Mantle, Botany; Dorothy Brown, History; Rutha Reid, Botany, History.

#### From Preliminary Division, Junior Grade, to Advanced Division, Junior Grade:

Lloyd Cunningham, 84.8 per cent; Mabel Dore, 82.3; Louise Cunningham, 81.2; James Laidlaw, 80.4; Gertrude Chapin, 79.6; John Williams, 79.3; Ithiel Morden, 79.1; Esma Oakes, 77.9; Mary Fraser, 77.4; Kathleen Campbell, 77.2; John Aitken, 76.3; Elwyn Williams, 75.5; Ellis Todd, 74.6; Gordon Haug, 74; Edwin Harvey, 71.4; Douglas Buckland, 71.2; Wealthy Grigg, 70.4; Alice Palmer, 69.5; Walter Gourlie, 68; Marion Smith, 67.2; Helen Nash, 65.7; Reginald Weddell, 63.9; Edna Walker, 63.8; Ronald Weeks, 62.6.

The following students who have obtained a total of 60 per cent will be required to pass a supplemental examination in the subjects mentioned, before receiving their promotion: Ellen Hardy, Arithmetic, Algebra; Victor Fowler, French; Fred Magee, French; Ada Poole, Arithmetic.

going after a pop fly. Day got the worst of the bump and had to be taken to a doctor. Caldwell, who took over from Quigley, had a terrible time of it in his first inning, the fifth, but got along better in the sixth. McClymont, pitching for the Elks, had things pretty much his own way except in the last half of the fifth, when he was touched up pretty freely. The score by innings was:

Elks ..... 2 0 0 3 11 0—16  
Rutland ..... 0 0 0 0 4 0—4

The Rutland lineup was: Wanless, ss, c; Monford, 1b; Quigley, p; ss; Hererson, 3b; Heslip, 2b; Stanton, cf; Day, c; Logan, lf; Caldwell, rf, p; Bird, rf.

Umpire: McClement.

Next week, the Rutland team goes to Winfield. It is to be hoped that as many supporters as possible will go with them.

Dated at Kelowna, B.C., this 28th day of June, 1922.  
JAMES COUPLAND,  
Poundkeeper.

## ELLISON

Mrs. T. Bulman went up to Sicamous at the end of last week to meet Mr. Bulman on his return from the East, and they motored down from Vernon on Dominion Day.

Miss M. Kelman was motored down to Summerland last Sunday, on her way home to Vancouver.

Mr. M. Heron is back from Golden, where he has been attending a convention of dairymen.

Miss Elizabeth Carney returned to Vancouver this week, to resume her work at St. Paul's Hospital.

Mr. and Mrs. Teather and Arthur left last Friday in their recently purchased "Chev." car, on a trip to Maden, Wash., where they are visiting Mrs. Teather's sister.

The farewell party last Friday evening, arranged for our teacher, Miss Kelman, came more than up to expectation. A little time and work spent over the shed adjoining Mr. Bulman's evaporating plant had converted it into quite a comfortable dance hall, with a good floor and electric lighting, fitted for the occasion. It needed nothing more than the excellent music of the accordion, with the drums, etc., to assist, to set the forty odd young folks jazzing, and keep them jazzing until the call to supper after 11 p.m. Supper was served on the delightfully cool lawn, the lights from the house illuminating it, and everybody seemed perfectly content, until the distant strains of a waltz were wafted across from the evaporator luring them back again, to dance the night away. As the music was hired for the evening, it was necessary to close the night's frivolities promptly, which many were loath to do. However, it was late enough, when, after playing "For He's a Jolly Good Fellow," "Auld lang syne" and "God Save the King," the party broke up.

There were not as many as we would have liked to see at the picnic on Dominion Day, for even though it was a public holiday, irrigation, etc., kept a number away, whilst several of the young folks had a picnic of their own the day after, and apparently one was enough. Mr. Bulman's truck was easily filled and set out towards 11 a.m., followed later by six or seven cars. The cool green nook, surrounded by shady trees, half-way along the shore of Woods Lake, formed an ideal spot when the time for eats arrived, and there certainly was no shortage of good eats. The afternoon soon drifted away, swimming being the main attraction, not to mention leap frog in the lake, one of the few games that does not leave the amateur thirsty. Two or three cars arrived later in the afternoon, in time for the occupants to do their share in the second feed. The close of a pleasant day soon came, and the truck loaded up again and set out for home early in the evening, the rest following suit.

Mrs. Graham and her two kiddies are staying with Mr. and Mrs. Muirhead.

Miss Greta Bowers and Miss Lucretia Oke have gone up to the Belgo cherry pickers' camp for a few weeks.

"Billy" Sands has come up from Vancouver to spend his holidays in the sunny Okanagan.

"SMILIN' THROUGH"  
ELABORATE PRODUCTION

With the public now out "shopping" for its screen entertainment and willing to accept only the best, progressive improvement in the film industry is being made and the outlook is very promising, according to Norma Talmadge, who points to the recent organization of the Independent Screen Artists' Guild in California as one of the most significant developments of cinema history.

Miss Talmadge is one of the founders of the Guild, the announced object of which is the establishment of direct relations between the studios and the theatres of the country, with the idea of cutting the middleman costs and thereby making it possible for producers to put money into better pictures.

Among the most pretentious of Guild productions is Norma Talmadge's "Smilin' Through," a First National attraction directed by Sidney Franklin, which will be screened at the Empress Theatre here on Monday and Tuesday next, July 10th and 11th. Her initial Guild picture, it is said to be the finest dramatic production she has yet made in her screen career. It was filmed on a lavish scale, having been adapted from Allen Langdon Martin's famous stage play of the same name.

Norma plays the dual role of Moon-yeen and Kathleen, the former a girl of the sixties and the latter a girl of modern times, each figuring in a romance of her particular period. The scenes are laid in Ireland, England and France, and the costumes and settings are said to be among the most beautiful and striking ever shown in any motion picture.

## Mid Summer CLEARANCE SALE

During the course of which every Department in this store will contribute its quota of greatly Underpriced Items

The time has come again when every remaining article of Summer goods must go. Progressive merchandising methods demand it—our policy insists upon it. It's a clearance sale that combines a true business principle and well defined purpose, namely, that every six months a thorough store-wide cleaning must take effect to assure the starting of the

new season with new stocks. Therefore, you can expect to receive values whose unusualness admit of no discussion. The need to clear is urgent—and remember, there remain many months of wear and use in every article involved in this clearance.

**JULY 7th to 15th, INCLUSIVE**
